

Outcrop Silver & Gold Invites You to Join Us at the Deutsche Goldmesse Fall 2023 in Frankfurt

Vancouver, British Columbia--(Newsfile Corp. - November 6, 2023) - **Outcrop Silver & Gold** (TSXV: OCG) (OTCQX: OCGSF) (FSE: MRG), Outcrop Silver & Gold, will be participating in the Deutsche Goldmesse Fall Conference, which will take place on November 24 and 25 at The Westin Grand Frankfurt.

Members of the Outcrop Silver & Gold management team will be taking meetings throughout the day, and will also present at 11:00 AM CET on November 25th to an audience of European investors.

An online registration form is available, and Investors can register to attend at: <https://deuschegoldmesse.online/investor-registration-2/>.

Kai Hoffmann, Managing Director of Soar Financial Partners, remarks, "Following two virtual, and four in-person events, Deutsche Goldmesse has established itself as Germany's premier investment conference in the resource space. Being from Germany myself and working solely in the junior mining space for the last 12 years, I understand what German and European investors are looking for. This is why I have focused on bringing together a selective group of impressive and diverse companies, keynote speakers, influencers, HNW investors, asset & fund managers, media partners and more. I am excited to offer this boutique event once again, exclusive to the junior mining sector."

About Outcrop Silver & Gold

Outcrop Silver is advancing the Santa Ana high-grade silver deposit with exploration activities aiming to expand the current mineral resource. Santa Ana is being advanced by a highly disciplined and seasoned professional team with decades of experience in Colombia.

About Deutsche Goldmesse

Deutsche Goldmesse is Germany's largest mining investment conference, based out of Frankfurt- one of Europe's most important financial capitals. The conference brings together leading minds in the industry to foster new business opportunities and facilitate valuable relationships. The exclusive two-day event showcases industry-leading keynote speakers and up to 35 carefully considered companies in a range of commodities and stages from explorers to producers.

Hosted by Soar Financial Partners, Deutsche Goldmesse provides a platform where company management can connect with a vast network of European institutional and HNW investors, retail investors, analysts, influencers, newsletter writers, media, and other local partners.
